*Dear FKE Families,*

*Thanks FKE parents for your wonderful support of our staff last week! We are so grateful to be in a school with such wonderful parent support!*

*Love,  
Mrs. Suer & Mrs. Eiler*

## Camp Invention Awareness Day!

Tuesday, May 16th is Camp Invention Awareness Day! If you've been to Camp Invention before, wear your camp shirt on this day, and be sure to tell a friend how much fun you've had at camp! We will be taking a picture in the gym of all former Campers from FKE!

If your child is not yet registered for this year's science camp there is still time for students to sign up! Invite a cousin, an out of district friend, etc. All K-8 students are welcome to attend!

You can register at:

**Thank you!**

For more than 30 years, Family Video has been providing entertainment to families in your community and 2017 is no exception.

It is our pleasure to support you and your efforts to educate our young people. For each "A" earned by one of your students in a core subject, Family Video will give away a FREE MOVIE or GAME rental (limit of 5).

Additionally, all Marco's Pizza locations owned by Family Video will be giving away FREE pizza. Each student who receives at least one "A" in a core subject will receive a FREE small 1 topping pizza (limit of 1). We are proud to bring you more convenience in one location.

The program runs during the month of June and is open to students in Kindergarten through college at any Family Video location and participating Marco's Pizza locations.

We have provided you with a flyer from both locations explaining this program to your students. Please distribute these to your achieving students. Have a great summer!
